Dear Pastor, church family, and praying Friends,

Dear Pastor, church family, and praying Friends,

I want to start by saying that the Lord is Good and He is Good all the time. Our five days of VBS this year was a wonderful success because the attendance was 498 children from 5 to 15 years old. The Lord had touched many children's hearts, and 134 children gave their life to the Lord. Even though we have this big number of confessions of faith by presenting of plan of salvation one by one for these children, only God know who did truthfully because He is the only who know the heart of the man. Let thanks God for these children.

Our people of Korbongou's church are suffering for many years for clean water. Thank God who touched people that helped us provide clean water. May the Lord bless all that helped. We need to drill water in two more churches.

On July 6, we have seen the grace of God upon our people at Nabiono. A big miracle happened. When our brothers and sisters were worshipping God, the walls of the building fell under a heavy rain. Everyone was protected by the hand of God. No one was hurt. Brothers and sisters, can you help to rebuild this small temple with blocks of cement? By the grace of God we are going to rebuilt again.

We still need \$1,867 to finish the toilettes for children that are enrolled in our Christian school, and the doors will cost \$565.

## Prayer Requests

Most of my prayer requests are still like:

- Find more supporting churches
- Finish projects (buy land and build the temple of the church)
- Reach more villages with the gospel.
- Funds for transportation.
- May the Lord bless more all our supporting churches, pastors, and friends.
