November, 2008

Dear Pastor and Brethren,

We would like you to praise the Lord for the great work He is doing here in Togo (West Africa). To all of you we say thank you for your faithful prayers and financial support. A special thanks for all of our friends who sent the comforting post cards to us. You could never imagine our joy in receiving the post cards from our brethren from the U.S., we want all to know that your messages were truly a great help to us.

Dear pastor and brethren, I didn't waste time since we came back. I know the reason God wanted us to come back, preach the word of God so that people of Togo can be saved. So we were busy persuading people and pleading with people to be saved. And the first two weeks of September 15 people were saved. From September to November, 60 people came to know the Lord. I didn't want to wait; the True Light Baptist Church was started on October 19 with 35 people and 15 children.

We meet every Sunday in a private school building where I teach and preach the Word of God. Every Sunday, we see people make professions of faith. But Brethren, we have a problem: it is against the law to have a worship service in a school building in Togo. Our desire is to move quickly into our own worship place. We can move quickly if you can help us to buy a piece of land where we can build a shelter. Right now one piece of land is \$14,000 in the area where we are working. You know the Lord is the provider, but He says "Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you." (Matthew 7:7)

My beloved pastors, I do ask for your help. If each one of you can help us raise only \$500 for this cause, I believe with 30 churches we can buy one piece of land very soon. My desire is to plant 3 Baptist Churches in my first term, but I do need your help to do this. If God is leading in your heart to help us, please send the check to Global Fundamental Baptist Missions, P.O. Box 1195, Newnan, GA 30264 with mention: Project: Purchasing the Land.

Thank you again for being our partners in the Lord's Work here in Togo.
