Hello from Togo West Africa,

We pray that everyone is doing well. Brethren, let me begin by telling you that our country is in dangerous trouble. My two trips to the northern part of my country let me see this dangerous threat. The Muslim people are trying to take over our country.

My recent visit to the northern part was in April with pastor McMillen who was a missionary in our country 13 years ago. He was surprised to see what these people are doing. The Muslims have built a mosque in every village from the south to the north. In the small town called Anie we counted 16 mosques (for about 10,000 people). And also the town called Dapaong there is under construction a university of Islam. It is the first time this has happened. It is like our country was sold to them. I believe they have planned to change our country to Muslim State. Not only have they built mosques but also schools for the children. We knew where the money came from (the Middle East and the president of Libya Qaddafi).

In spite of these troubles ahead the people of northern part are opened to the gospel. In my first visit to the north in February the people were giving their life to the Lord. In my first day preaching 7 people gave their life to the Lord. Not only we preached the gospel but also brother Goungampo and I gave training to the twelve pastors for 4 days. Some of them do not have a Bible but only a New Testament. Others do not have any pastor training to face the Muslim threat. We came down in south for three days straight preaching where 300 people come out to listen the good news. We were so busy persuading people and pleading with people to be saved. I have 5 new members of my family who came to know the Lord and they are faithful to the church. The ministry is growing. Every Sunday we have a new face. The average of attendance is now 55 people without children. 9 people are ready now to be baptized next month.

Brethren we still need your prayers for this ministry. People are giving their life to the Lord and we need a place to worship. We still need the money for the Land and the shelter. The land is our priority need.

Money Needed for Land	Money Received	Balance Needed
\$14,000.00	\$715.00	\$13,285.00

We want to thank Gospel Baptist Church of Archdale, NC for their \$500 gift, and First Baptist Church of Mason, WV for their \$215 gift.
