November, 2010

Dear Supporting Partners,

Thank you for your faithful financial and prayerful support. We appreciate your prayers because we are dependent on them as we seek to serve Christ for His glory. The Lord has given us much to be joyful about these past few months although the doctor told me to slow down a little. I had more headaches these past months but it is joyful to serve the Lord in this troubled time. It is wonderful and a blessing to see again our faithful brothers and sisters in the States who are fighting on a daily basis as us for their life and for the cause of Christ. We must keep the light on here in the States and around the globe.

It is a blessing to report in the midst of this financial crisis, God has blessed by given us four churches that have pledged \$2, 000 each for the land project. We have many more churches, as well, who have said they will do something the beginning of next year 2011. **THANK YOU** to those who already pledged and for those who will do something in the next year coming. We also have three new supporting churches. God is giving us back the churches we have lost in this troubled time. I believe that God is still on the throne no matter what people are saying or are going through. I believe in my God and I would never doubt Him.

Let me tell you also that the ministries in Togo are doing fine. Brother Christian Adjogah is doing a wonderful work in my absence. Although we are here in the States our hearts are still in Togo. We call twice every week to talk to our brethren there. It is very hard for me to be away from them. They are praying hard for God to give the money for the Land.

Brethren keep praying for us:

- Safety on the road
- Money for the Land as soon as possible
- More supporting churches

We love you all, and look forward to seeing you soon while we are here.

May the Lord continue to bless you, as you continue to serve the King of kings!

If God is leading in your heart to help us, please send a check to:
