January, 2011

Dear Supporting Partners,

Wow! It is hard to believe that 2010 has come and gone with all its challenges. 2010 year was the most challenging year for everyone especially for the missionaries socially and financially. We thank God that helps everyone to go through this hard time successfully. We saw a lot people of turn back on God but we still walk closely with our mighty God. Let me express to you our sincere gratitude for your regular prayer and financial support. Thank you for your Christmas love offerings and the cards sent our way. We love all and we pray on a regular basis for each one of supporters and friends. Our furlough went well the last quarter since we were here. We have four new support churches and 6 churches that have already given to the land project. We still need 8 more churches that would pledge \$2,000 each one and to finish our furlough. Thanks to those whose have already sent and those who are willing to do something to help us this year 2011.

Let me quote what one American veteran missionary in Togo has said about the need of Togo ministries.

“Needs for Togo: purchase of land for churches, construction of churches, books to build a pastor’s reference library, equipment to build a youth center, Bibles, tracts, New Testaments, gospels of John and Romans, equipment for film teams. Togo is open to the gospel with many are accepting Christ and desiring to learn more about Christ.”

I believe purchasing land is a major problem for the ministries in Togo. A church without its own property cannot build ministries. We need you to help us quickly raise the rest of the money for the land for the first church in Apedokoe. My place is not here but in Togo among my people in order to preach the truth to them.

Brethren keep praying for us:

- Safety on the road
- Money for the Land as soon as possible
- More supporting churches

We trust the LORD is blessing you already this New Year and He will continue to do so the rest of 2011.

In His service,
