Dear Pastor and Friends,

I hope that everyone is doing fine.

The train in this picture is moving fast. The desire of the driver is to reach the destination as soon as possible. As this driver, our desire is to get back to the field as soon as possible. Our plan is to leave this September 2011. To leave on that month, our prayer is that God would help the churches that have pledged and those have promised their help to fulfill their promise before July. From July to August, I will travel to collect much needed supplies for Togo:

School supplies such as paper, notebooks, pencils, crayons, scissors, glue, rulers, magic markers etc.

Medical supplies such as bandages, ointments, Tylenol, Aspirin, Cold-flu, Cough drops, vitamins etc.

Personal hygiene supplies like washcloths, toothpaste, tooth brushes and bars of soap can be placed in zip lock bags packed for individual use.

Used clothes and used shoes for all ages.

Let me tell you from 2008 to 2010, we have been buying \$1,500 in school supplies every year to help many parents to put their kids back in school. We have given away many school supplies, medicine supplies, and used clothes to many families in the villages every year since I went back to Togo. Our desire, once we get the land, is to build the church and open a Christian School to help many children to have a good education.

Brethren, can you please, pray for us that God will supply our air tickets \$5,500 and the shipping cost \$5,050.

If you have something to donate to our ministries, feel free to call me on my cell phone: 678-673-0267. The container will leave the beginning of September a few weeks before we leave.

In His service,
