October, 2011

Dear Pastor and Friends,

I hope that everyone is doing fine. First of all, may the Lord bless you for your faithful prayers and financial support. I am so glad to let everyone know that we made safe back to Togo. The Lord is so good to us. Everyone is doing well. No sickness among the children.

First of all, let me give you the good news. Three weeks before I left the States my mama made a profession of faith. Elle accepted Jesus Christ as her personal Savior after 28 years of praying for her salvation. It was a big joy for me to know that she is now a child of God and a member of the kingdom of heaven. Also it is amazing to see the growth of the size of the church. I saw many new faces and brother Christian has to introduce me to these new people. God has once again proved to me that it is His work and not mine. I will baptize these new believers in the month of November 2011. Many believers had made request to join the church.

Keep praying for me that the Lord will give me good health.

I immediately started a prayer with my team asking God to show us the right land to buy for the church. Brethren, God is working and we need your prayers to keep doing what God called us for.

Right now, I need your financial support to pay the customs fees here in Togo in order to receive the container. The container will be in Togo around October 15.

In His service,
