February, 2012

Dear Pastor and Friends,

I am very thankful to God for each of you for faithful prayers and financial support. I thank God very much for the blessing that He has given us these past two months. Souls are saved and the church is growing from month to month. We were so busy reaching the people in our community. We knocked on doors every Thursday and Saturday and I am pleased to tell you that 4 precious souls were saved every week. Some of these new believers joined our church and others love to stay in their church. Our prayer is that God would open their eyes to see that the right church is the church where the Gospel is preached. I took the whole church through two months revival and the Holy Ghost has used the people to win lost souls. From the result of the revival, the church is full every Sunday in both services. We have a little over 200 in attendance every Sunday and we have a lot of problems with no toilets. Please can you help us to build the toilet that will cost us \$3,000.

Since December, my mother started coming to the church and she is faithful. Keep praying for her that the Lord will keep her strong in faith. Every Wednesday and every Sunday she is ready before I came to pick her up. God has blessed me: I was saved, my wife was saved, my sister was saved and finally my mother was saved. Now I am praying hard for the salvation of my children.

**In the month of February we held two big events that the Lord has blessed:**

From 02-08- to- 02-10-2012, we held our **First Bible Mission Conference** with more than 100 national pastors. I had only planed for 50 pastors but God brought to that Bible Conference more than 100 pastors. Dr. Steve Harper taught eight hours every day from the book of Revelation, the mysterious book we call it here in Togo, for three days. God has used him in these past three days to teach and preach to us. Our desire for next year 2013 is to have another American Pastor come down with Dr Steve Harper, General Director of GFBM for 4 days teaching and preaching. I can tell brother that God would bless you and would change completely your vision about the mission. Lost souls are saved and people are training to win more souls for the Lord. If you plan to make a mission trip, come down to Togo and see what the Lord is doing in this small country. You can Contact Dr. Steve on his cell phone: **678-488-0671**.

After some preaching in the South, we went with Dr. Steve to the northern part of Togo for preaching and put the cornerstone for the church building at Korbongou. Dr. Steve preached in the night without any light except my projector light and many souls were saved that night. It is wonderful. At Korbongou the chief himself was there to put the rock in the ground. By the grace

of God our brothers and sisters will have their own building. May the Lord bless the people of Atwood Baptist Church in Alabama for their desire to build that church. The first lot of land the old chief gave to us the government took away from us but my Lord still on the throne. I get for them 5 lots of land for only \$3,200 in the same area. My vision is not only to have a Baptist church but also to have a Christian School, and small clinic. The majority of people of Korbongou are Muslims but the Lord opened the door for us to have a church and also a Christian School. With 5 lots of land we can do a lot for God to reach the lost souls on the border of Benin and Burkina Faso.

In His service,
