February, 2014

Dear Pastor Friends and Church Family,

Brothers and sisters, it is good to say God is good and He is good all the time. We have seen this past year 2013 the hand of God upon our ministries although many problems came our way. The advancement of the works of God here in Togo was possible because of your faithful prayers and financial support. We ended up 2013 with three major projects that were done and the attendance was 166 children, 46 men and 67 women. The average of children decreased to around 130 in January 2014 but we started the New Year 2014 with new resolutions:

- Reach more people for Christ and take the Gospel unto remote villages in Togo.
- Train more people to be evangelists in order to take the gospel where the Voodoo religion is so strong.
- To have strong believers in our three churches planted.

We have a special request that I need you to pray God with me to obtain a fund in order to finish the church building at Korbongou our second (\$2,400 for cement floor and plaster the wall). Also another fund around \$10,000 to finish the Sunday school building we started last October in our home church at Apedokoe. We built the first floor with our own budget. Now we are broke, we need help to finish the construction.

*(See pictures on the next page.)*

Pray for our second Pastors Conference that will be held in February 24 to 26 where more than 100 Togolese pastors plus a few from Ghana and Burkina Faso will attend. By the grace of God 5 American Pastors will be there to teach and preach.

I want to finish by thanking all churches that sent to us their Christmas gift and many cards to encourage us. May the Lord bless all.

In His service,

**The Agbodo Family**
