June, 2015

Dear Pastor and Friends ,

First of all, let me thank you for those that pray for my health. For 6 weeks I was very sick and was unable to preach the Word of God. I almost lost my life and I was responsible of this situation because I never take any break since 2010, but by the grace of God I am back again and start to preach the wonderful book .

On May 5 to May 13, we were blessed because the team of 5 people from Beacon Baptist Church of Raleigh NC came down to see the work the Lord is doing here and gave a 3 day training for more than 40 pastors on spiritual leadership and more than [40 pastors wives](#) on different subjects like Balancing Busy lives, I care Enough to Prepare others to Care...

On May 10, Pastor Ricky, Tim Jr and McMillen helped me baptize 15 new believers where my own mother was among these 15 new believers. It was amazing to see the joy on the face these new believers. I was so blessed to [baptize my own mother](#) who was a prophethess in Voudou worship. The Lord has continued to bless our ministry in spite of many challenges we are facing. It was a big day because the church was full; some were there just to see the baptism of my mother. I want to see more teams like Beacon Baptist Church in Togo because it is a big encouragement not only to me and my family but for the whole congregation.

Brothers and sisters let me report to you that the Lord is so good. I have been praying to finish the shelter for our third small [church at Kleme](#) where black magic and Voudou worship are so strong. I did not receive any funds for that project, so I used my personal support to finish that project because I want to see the light in that village. God is working already that village; we now have 22 children and 5 adults that come every Sunday afternoon to our discipleship time. We plan to open Sunday morning worship service this summer.

Our prayer requests are still the same and we need your prayer that the Lord would provide quickly:

1. We need to dig a well called in French "Forage" for our home church at Apedokoe because the attendance is growing. People need water to use in bathroom and to drink. We need \$2,400 and church itself raised so far \$500. We have to finish this project because the price is changing quickly. The last quote is \$2,500.
2. The work of the Sunday school building was interrupted because we are running out of financial means. It is a huge challenge for us to complete the building because we still need \$8,715.75 to finish this project.
3. The need of one motorcycle to go ato remote village to preach the Gospel at Oulongou II is still heavy on our shoulder. The price with all taxes is only \$1,000.
5. Funds to buy another van because at the moment I am writing this prayer letter my van was broken again. I started to have a lot of problems with this 13 year old van. I started again to take a taxi and most the time taxi moto.

May the Lord bless all for your faithful prayers.
In His service,
