February, 2016

Dear Pastor and Friends ,

First of all, let me start my report by saying the Lord is so good. In spite many challenges we are facing, our wonderful savior is still on our side.

On January 23, 2016 the church has celebrated the first wedding ceremony.

On February 05 to 07, I went to northern part of our country preaching and teaching our brethren of this area. The ministry is growing in this area although the Muslims are the big part of population. I hold a baptism service where I baptized 33 people (18 ladies and 15 young boys). The wife of the chief of Oulougou II was among the ladies that get baptized.

OUR PRAYER REQUESTS

1. Thank God for our third small church True Light Baptist Church, Temple of Victory at Kleme, is growing in spite a strong Vodou worship in village. God is moving we have right now on Sunday morning 5 Women and 6 Adult with 10 children.

2. We want also to thank churches and friends that send the money to help us buy a small car. By the Grace of God we did buy a small car "TOYOTA AVENSIS". We hope all the papers works will done next week. May the Lord bless everyone that make this happened because it is almost 7 months we did not have any means of transportation. This car would help a while before God will open the door for us to come back to the States. I would put the picture of the car on my next prayer letter.

May the Lord bless all for your faithful prayers.
In His service,
