March, 2017

Dear Pastors and Praying Friends ,

We would like to take this opportunity to thank you for praying for our family and our ministry.

I begin this report by announcing good news: We got the visa this March 10. Praise the Lord because God had answered our prayers. We plan to be in the States around April 10, if the Lord supplies our air tickets that will cost us \$6,400. The price is so expensive because the rate of exchange of dollar in franc CFA is so high.

Brothers and sisters, these past two months were wonderful months. We have seen the hands of our Lord upon our ministries. Many souls were saved. We have started a new ministry in second big city called Tsevie with the help of the team of Rock of Ages. The small building is under the construction in order to help these new believers to meet every Sunday.

The door is still open in Togo to preach the Gospel. Can you help us to spread the Gospel?

We finished these past two months by organizing a big Pastors conference with more than 130 preachers that came from Burkina Faso, Ghana, Benin and from different parts of Togo. The team from Rock of Ages was wonderful speakers and teachers in that conference.

I was so happy that the Lord is using these conferences to give more training to many pastors from different countries in West Africa. These past years the Lord had touched different pastors from the States to come down to Togo to preach and give more training .

(See pictures of the Preacher's conference on the next page.)

May the Lord bless all for your faithful prayers.
In His service,

The Agbodo Family

Can you come down; Lord has already opened the door for you?
