August, 2017

Dear Pastors and Friends ,

Hope everyone is doing well. I am very thankful to God for each of you for faithful prayers and financial support. Let me start by saying that God is good and He is good all the time. Since we have been back in the states, we have already travelled 7,000 miles and we have seen the hand of God upon us. No matter what you go through just believe like Jesus Christ to Jairus in Mark 5:36 "... Be not afraid, only believe."

Two weeks I was in KY and one precious soul was saved and two churches plan to take us on for support.

Right now we need your help to finish our Sunday School building. We are almost finished with the second floor. With your help the children will have the classrooms this coming September. Please help us finish this quickly. Here the needs to finish the concrete roof, we just received from our church in Togo:

\* 180 packets of cement that will cost (180\*4050=729.000fcfa=\$1,450)

\* Gravel=700.000fcfa=\$1,400

\*Iron=890.000fcfa=\$1,780

\*Carpenter=389.000fcfa=\$778

See pictures on the next page and you can also see an online video of the progress of the work.

We also need your prayers and support for our major project, building an auditorium for our first church planted at Apedokoe. This project will cost \$90,000 and God has started to move our people in that direction.

Auditorium project	Cost	Received already	Balance needed
Start August	\$70,000	\$1,000	\$69,000

May the Lord bless all for your faithful prayers.  
In His service,
