November, 2017

Dear Pastors and Friends ,

Hope everyone is doing well. Let me start by asking a prayer for my country Togo. From August until the time I am writing this prayer letter our country is facing a time of big trouble. There are political demonstrations with violence in some areas with deaths. Pray that God would bring peace upon our country. I am afraid these political demonstrations will conduct us to civil war. Although there is this fear right now in our country Togo, all our missions churches are doing well. We are growing in some areas and stable in most churches.

Our Christian School has grown from to 78 students to 130 students in the beginning of new school year 2017-2018. (We have opened two more classes this year Third grade and Fourth grade.)

-The Second floor of our Sunday school was finished. The only things need to be done are the doors, the windows and the floor. May the Lord bless churches that help us to finish 90% of that project.

-The construction of the chapel of the church at Oulougou 2 was started.

-My furlough deputation is doing well in spite many challenges to find new churches, but God is working. I am right now 5% of the 25% we need. I have 4 new churches that are praying to take on support. Hope to hear from them soon. November and December, I will be TN, WV, NC and Michigan.

See pictures on the next pages and you can also see online video of the progress of the work.

OUR PRAYER REQUESTS

*We also need your prayers and support for our major project, building an auditorium for our first church planted at Apedokoe. This project will cost \$70,000. I believe my God will supply according to Philip 4:19, "But my God shall supply all your need according to his riches in glory by Christ Jesus."

Auditorium project	Cost	Received already	Balance needed
Start August	\$70,000	\$1,000	\$69,000

*I need a van for my family because what we have in Togo was dead for long time. We need something that can hold all my family.

May the Lord bless all for your faithful prayers.

In His service,
