April, 2018

Dear Pastor and church family,  
Thank you all for your continued prayers and support for us and our ministries!

### TRAVELING

I have the opportunity to present our ministries in KY, NC, and VA to new churches after updating almost 60% of supporting churches. Since we came back, I am still on road and God is opening new doors for me.

### SUPPORT

Brothers and sisters, I can tell you that God is good and good all the time. God has given back what I lost since I went on the field. So far I have 7 new churches that have taken on support and more new churches are planning to do so. I believe on my God that He will call faithful churches to partner with me to spread the Gospel in Togo West Africa.

### MINISTRIES IN TOGO

Praise the Lord, our churches in Togo are doing very well. More people are joining the churches. From South to North, all of our 5 churches in Togo and 2 churches in Burkina Faso are doing ok.

A new door is open to start our 6th church in city call Naki Est. My people went there to preach the Gospel and 18 people have given their life to the Lord already.

### PRAYER REQUESTS

- \*Safety as I travel
- \*Want to see souls saved and dedicated to missions. I want to see young people born again with love to go to the mission field.
- \*We need these items for our mission churches in Togo: 6 trumpets, 2 keyboards and one sound system.
- \*We are receiving many clothes and other items for the ministry in Togo but we have no money to ship. The 20 feet container would cost \$3,225.
- \*Pray for our air tickets, one way will cost us more than \$6,000
- \*Pray for our Van project. We need something that would hold not only my whole family but more than 15 people every Sunday, the cost is \$14,000.

## **MINISTRIES IN BURKINA FASO**

Our ministry is not only in Togo but we are working to plant churches across our border. Our church planting effort is right now in Burkina Faso where we are helping brother Josias, a native of Burkina Faso to preach the Good News to his people. So far we helped him plant two churches already. Right now they need a shelter. Dear pastors if you can help us with only \$2,000 we can build a shelter for them. Look this picture. People are saved not only in Togo but also in Burkina Faso.

Many times I wept when I saw these needs which I cannot supply.

\*We are on long way to reach our goal for our big project (the church building in Apedokoe, our mother church). The budget of this project is \$70,000. We are praying if our brothers and sisters would help us with \$35,000, my people will fight for the rest.

\*Pray for our country: our country continues to go through many protests. It is more than 6 months the political situation is very unpredictable. This situation is not good. This situation can be explosive at any time. We need peace in our country.

May the Lord bless all for your faithful prayers.  
In His service,
