Dear Pastor and Friends,

I am very thankful to God for each of you for faithful prayers and financial support. Brothers and sisters these past three months were very difficult for me because of sickness of my mother until her death. In April 8, I got bad news of the loss of my mother. My mother went to be with the Lord on April 8 and I must interrupt everything and fly to my country to bury my mother. It was a very painful for me although I knew that my mother is with the Lord. My mother left behind her two children (my sister and I), 14 grandchildren and 13 great grandchildren. My pain was so heavy, but I have a consolation that one day I will see my mother in Heaven. So glad in effect she knew the Lord before the bad day.

After the burial of my mother we held a mini pastors conference with two guest speakers. The missionaries Brother Shoemaker and Brother James both from Macedonia Baptist Mission. It was a wonderful time and great teaching. I have forgotten a little about the loss of my mother. It a big recomfort that God sent these dear brothers in hard time for me.

After this conference I must travel and preach through our mission churches. It was a big surprise to me to see these churches are doing well. I am so glad to see the joy on the face of my people by worship the true God. This joy reminder about Mathew 18:16 where Jesus

Christ said to Peter, “**And I say also unto thee, that thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it**”. Every work build on Jesus Christ will be there until His return.

I forgot to report that on Easter day, the true light Baptist Church at Apedokoe hold a baptism service where 8 new believers were **added** to the church. Here the pictures.

Brothers and sisters, I am back in the States to finish my furlough deputation. A few more months, I will close this wonderful ministry of deputation. The train is ready to go back to the field.

Our needs

*Brothers and sisters, can you help us to go back? We are looking of the funds to ship one 20ft container that will cost us \$3, 225, the air ticket \$6,000. We have (many church chairs, pianos, a lot used clothes, school supply etc.....)

*Brothers and Sisters do not forget to pray that God will provide the fund for the van for us. We desperate need this van to go everywhere to preach the Gospel and use the same time as bus ministry (the cost is \$14,000).

*Pray for our air tickets, one way will cost us more than \$6,000

Our big project (Church building and land) still on, we believe our God would do a miracle for us.

*Continue to pray for my country, the political situation is still not good. It is more than 9 months this situation continues. People are suffering, and all churches are suffering because the offerings are going down. The bills are not paid, and many pastors and their family are hurting.

There are a lot of needs, but I cannot wait to have all before going back.

Your prayers are very important to us.

May the Lord bless all for your faithful prayers

In His service
