Dear Pastor and Friends,

I am very thankful to God for each of you for faithful prayers and financial support.

Brothers and sisters, I want to start this report by thanking God for all His blessings. King David in PS 103: 1-2 said, "Bless the LORD, O my soul: and all that is within me, bless his holy name.

Bless the LORD, O my soul, and forget not all his benefits:"

In effect we have been praying for our big project: the building of auditorium where we can meet for worship our wonderful savior for our first church at Apedokoe. That project would cost us \$70,000. God started to move, we have one Christian organization that had give us a grant of \$30,000 with one condition to raise the balance of \$40,000 before we can get the fund. We have only a few months to raise that money. We pray that the Lord will give us 40 supporting church that would love to give each one \$1,000 toward this project. Pray with us that the Lord would provide this money. Our people need a permanent place to worship.

### Can you pray with us that miracle would happen?

This time, report will be focusing our ministry in Burkina Faso to show what the Lord is doing in this country too. The needs are so heavy. In PS 121:1-2 we read, "I WILL lift up mine eyes unto the hills, from whence cometh my help. My help cometh from the LORD, which made heaven and earth." Since I was born again, my only strength comes from God and I believe God would help to spread the Gospel not only in Togo but also behind our country.

Brothers and sisters, you can see inside the True Light Baptist church at "Tamtore.", we did not have any benches. Also, People are in need of Bibles. Our brothers and sisters sit on the

floor to hear the Gospel. I am very troubled to see all the women sat on a rock on the floor. With \$900, we can have 60 benches for two churches.

-**For the church at Nabiono**, we lost the shelter where my people of Burkina Faso meet to worship after the heavy rain. Right now, they are meeting under a tree.

Brothers and sisters, we need your help to build a new shelter that will cost us around \$1,500.

This man with one leg gave us the land to build the church on. The joy of being saved allowed this man to give the land to have a church. He said I gave what I have, now you must build the church or shelter that people must come and worship the true God. Can you please help us to prove to this new believer that God can provide it?

### **Our needs**
