December 2025

Dear Pastor, church family, and praying Friends,

We are so thankful that God is faithful in every aspect of our life and our ministry. He is faithful in spite of the challenges we are facing. Sometimes we did not know what to do, but God knows all. David said in Psalm 121:2, "I will lift up mine eyes unto the hills, from whence cometh my help. My help cometh from the Lord, which made heaven and earth."

We give glory to God for all that He has done during 2025. We are thankful for souls that were saved and baptized.

The church's attendance is full again because of the significant reduction of insecurity. Lives were built up and souls grow day by day in the Lord.

Efforts to promote the Gospel took place through evangelization campaigns held in distant villages.

Camps for children and youth were held to reach many young people to the Lord.

Some projects are finished, while others are still underway.

Thanks to God's grace, the construction of the second Christian school, which began in 2024, was 90% complete by 2025 and now has 112 children. Many of these children who previously couldn't afford education now can attend school. It is immense joy in watching these destitute children learn how to read and write. Here are just some pictures. Second Christian school, new church building, Baptist service and more. I will put more pictures in my next prayer letter in the new year.

Prayer Requests

.Keep praying for us that God will provide what we need to keep doing the ministries:

- Find more supporting churches
 - Finish projects (buy land, we still need \$18,000 to reach our goal)
 - Reach more villages with the gospel.
 - Funds for transportation (we need a vehicle that can take us city to villages in remote areas) to preach the Gospel.
- May the Lord bless more all our support churches, pastors, and friends.
Pray you all have a very Merry Christmas as we celebrate the birth of our Lord Jesus Christ, and a Happy New year as we serve together for the furtherance of the Lord.

Serving Him Together,
