Dear Pastor, church family, and praying Friends,

### Ministry Update

As security improves in Northern Togo and Burkina Faso, we are continuing to focus on evangelism and monitor training. It brings us great joy to see brothers and sisters returning to the churches. The fellowship after the worship service has been especially encouraging, and many people were reluctant to leave.

### **Children's Ministry**

As children's attendance continues to grow, training monitors have become an important priority for us.

### **Evangelism Outreach**

Our evangelism ministry continues to move forward. We recently held a two-day outreach in Rialo, where 11 precious souls were saved.

## School Ministry in Burkina Faso

As the school year ended in Burkina Faso, gifts were given to the children. Many teachers made great sacrifices to finish the year with them, even though there were no funds available to pay the teachers.

## Prayer Requests

**Please continue praying with us for God's provision in these ministry needs:**

- Additional supporting churches to partner with us in the work.
  - Completion of current projects, including the purchase of land. We still need \$14,000 to reach our goal.
  - Open doors to reach more villages with the Gospel.
  - Transportation funds, including a vehicle that can take us from the city to remote villages to preach the Gospel.
- May the Lord richly bless all our supporting churches, pastors, and friends.
